If you are in want of Black or Fancy Dress Silks, go to J. M. G. PATTERSON.

If you are in want of Prints, Drapes, Chaises, or any kind of new Dress Goods, go to J. M. G. PATTERSON.

If you are in want of Brown or Bleached Muslin, Decims, Cottons, Ticking, Stripes, Checks, Balloon & Skirts, and Summer Shawls, Go to J. M. G. PATTERSON'S.

**Notice to Teachers.**

The Board of School Examiners of Ashland County will hold the following examinations at Ashland, during the year 1866:

The last Saturday of February.

The 2nd and 4th Saturdays of March.

The 2nd and 4th Saturdays of April.

The 2nd and 4th Saturdays of August.

The 2nd and 4th Saturdays of September.

The 2nd and 4th Saturdays of October.

The 2nd and 4th Saturdays of November.

The 2nd Saturday of December.

These examinations will commence at 9 o'clock A. M., and close at 4 P. M.

No applicant will be admitted after eleven o'clock A. M.

Written testimonials of good moral character, signed by at least two respectable persons will be required, which testimonials will be kept on file.

No certificates can be date-dated, and the school law prohibits Township Clerks from giving orders to teachers for pay, unless they have certificates embracing the whole time of service.

The school law requires teachers to understand the following branches, and be able to impart instruction in them all: Reading, Writing, Orthography, Arithmetic, English Grammar and Geography. A failure in one, is a failure in all, and those not having a full knowledge of each and every one of the above branches, need not apply for a certificate.

Particular attention will be paid to Orthography, and those not having studied it, will be promptly rejected.

No private examination will be had, and no application by letter will be answered.

Only four grades of certificates will be issued, viz: for 6 months, 12 months, 18 months, and 24 months. A certificate for six months is a trial certificate and will not be issued a second time to the same applicant.

Those having certificates for six months must be able to procure certificates for 12 months, or none.

School Directors are requested to furnish us reports of the success of teachers, as they will aid us materially in granting certificates only to those who are successful.

Those expecting to teach the higher branches will be examined accordingly.

The standard of Ashland County teachers must be advanced, and applicants will bear this in mind.

There will be no adjournment after examinations commence until they close.

Each applicant is required to pay a fee of \$100 as a condition of examination, and must be paid in advance.

By order of the Board.

R. M. CAMPBELL, Clerk.

January 11—1866.
